

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 1703 - SB 1465**

March 24, 2011

**SUMMARY OF BILL:** Decreases, from 30 to 15, the number of days that a parent or legal guardian who has withdrawn a student from a public school must re-enroll the student in a different public school as designated by the local board of education or a non-public school. A different public school that is designated by the local board of education shall be selected in consultation with the parents to address the needs of the student. Requires principals to encourage attendance of children who have reached the mandatory school-age unless the principal believes that delayed entry into the school system would be in the child's best interest.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Reducing the number of days that a parent or guardian has to re-enroll their child in a public or non-public school and requiring principals to encourage attendance will have no fiscal impact on state or local government.
- No state or local personnel or budget items will be altered.
